# Happy New Year!

<https://tinyurl.com/wtosnc2>

This year we want to start the year with a new years resolution. We want to provide our dyslexia students with every resource that will enhance their learning. To do this we have created a new project on Donors Choose titled, "Assistive Technology to the Rescue!" Through this project we are fundraising for new Chromebooks that will provide our dyslexia students with access to audio books, assistive technology and tailored individualized instruction. Please visit our Donors Choose page today and help us reach our goal. Any contribution, big or small, makes all the difference to our students.
